

Women in Business Network Fall Expo Press Release

The Women in Business Network will hold its Fall Expo on October 17 from 10:30 a.m. to 2:30 p.m. at Strings, located at 316 North Mt. Shasta Boulevard in Mt. Shasta. The Women in Business Network is an organization of over 40 women who own and operate businesses in Siskiyou County.

Over 30 businesses displayed their products and services at the organization's Spring Expo. Products included teas, gluten free pastries, art and picturing framing, jewelry, and health products. Marketing, public relations, graphic design, consulting, and health insurance were among the business services offered. Personal services ranged from massage to sacred site treks, to personal counseling and coaching. We expect the Fall Expo to be even larger and the products and services more varied.

A children's fashion show will be held at 12:30. Clothing will be provided by Grandma Mary's, a local children's clothing store. At 1:30 Directions and Fifth Season will provide fashions for busy businesswomen to wear for work or play.

There will also be door prizes from the Women in Business Network as well as free samples and giveaways from many of the exhibitors.

The Women in Business Expo is an excellent way to get acquainted with the products and services provided by businesswomen in Siskiyou County. It also provides an excellent opportunity to shop locally, go green, and benefit from the skill and talent of our local businesses.

Please plan to drop in between 10:30 and 2:30 on October 17 at Strings, located at 316 N. Mt. Shasta Blvd.
